Customer sent the following -

I am opposed to the rate increase:

The gas, lights and water gives a lower rate in the summer as we are gone 5 to 6 months not Coronado Utilities Inc. They said as long as we pay the water co. then that says we are using water. I do not believe this is fair as we do not use water for 5 to 6 months They could at least give us some kind of break like the other utilities do.
